A New Political Party in Iowa.

Cincinnati, Thursday, May 12.—A little political party was organized here yesterday. It is styled the Republic-Industrial Naturalization Party. This is the first political party in the United States that has been formed upon the platform of naturalization. The platform of the party consists of five principles: (1) Abolition of the death penalty. (2) Abolition of the slave trade. (3) Free labor, free soil. (4) Equal rights for the Negro. (5) Naturalization for all races.

The party was formed by a convention held in the hall of the United States. The platform was adopted by a vote of 32 to 3. The party is expected to be strong in the industrial and laboring classes of the country.

-The Republic-Industrial Naturalization Party has a new platform. It consists of five principles: (1) Abolition of the death penalty. (2) Abolition of the slave trade. (3) Free labor, free soil. (4) Equal rights for the Negro. (5) Naturalization for all races.

The party was formed by a convention held in the hall of the United States. The platform was adopted by a vote of 32 to 3. The party is expected to be strong in the industrial and laboring classes of the country.

-During the last rites of the party was held in the hall of the United States. The platform was adopted by a vote of 32 to 3. The party is expected to be strong in the industrial and laboring classes of the country.

-Congressmen of the United States have been presented with a petition from the Republic-Industrial Naturalization Party, asking for the abolition of the death penalty and the slave trade, and for the establishment of free labor and equal rights for the Negro. The petition was signed by 32 members of Congress.

-While the main hall was filled with supporters of the new party, the hall next door was being used as a meeting place for the Republican Party. The Republican Party is expected to be strong in the industrial and laboring classes of the country.
