

Calling
all youth development
professionals,
informal science educators,
and STEM partners
to submit proposals
for our 4th annual

March 12-14, 2013
Kansas City, MO

MASA 4.0 will be held at the amazing Kauffman Foundation Conference Center. The Westin Kansas City at Crown Center will serve as the main hotel for the Academy. The Afterschool Science Academies are designed to bring together local afterschool providers, Midwestern system leaders, and national STEM education experts around the common goal of elevating STEM learning in out-of-school time. MASA 4.0 registration opens in January!

Cost to register is \$250.

Registration page and Schedule-at-a-glance are available
on the Project LIFTOFF website:
