March 29, 2014

Mr. President, Mr. Speaker,
and Members of the Legislature
State Capitol
Lincoln, NE 68509

Dear Mr. President, Mr. Speaker, and Members of the Legislature:

With this letter, I am returning LB 906 with my signature, but with line-item reductions.

I have vetoed the \$12,500,000 transfer from the Department of Motor Vehicles Cash Fund to the Vehicle Title and Registration System Replacement and Maintenance Cash Fund provided for in section 3. This transfer was made to enable the appropriation for a replacement vehicle title and registration system. I have vetoed the appropriation for that purpose in LB 905. Therefore, this transfer is not necessary.

I have vetoed \$1,100,000 of the \$21,000,000 transfer from the General Fund to the Water Sustainability Fund provided for in section 8. This line-item reduction is to specifically remove any funding for redevelopment of sewer infrastructure facilities in FY 2014-15 and continue this reduction in future years to preserve the intended purpose and use of these monies for water sustainability. Therefore, this transfer is not necessary.

I have vetoed the \$5,000,000 of the \$15,000,000 transfer from the General Fund to the Game & Parks State Park Improvement and Maintenance Fund provided for in section 5. I have vetoed the \$2,500,000 transfer from the State Recreation Road Fund to the Game & Parks State Park Improvement and Maintenance Fund provided for in section 6. This transfer was made to enable appropriations for Game and Parks Commission deferred maintenance projects. I have line-item reduced appropriations for that purpose in LB 905. Therefore, these transfer amounts are not necessary.

I urge you to sustain my line-item reductions.

Sincerely,

Dave Heineman
Governor
