Authored and Illustrated by
Lucy Livingston

Once upon a time there was
One nice fairy named Elena.
There were two mean fairies:
Gianna and Cece.
They lived in Candy Sparkles.

The three fairies saw
In the newspaper that there
Was a contest so they decided to join.
It was a Tree Planting Contest.

**Gianna planted a chocolate tree.
The contest judges watched
Her on Candy Sparkles t.v. station.**

Cece planted a lollipop tree.

**Then Elena planted a normal tree.
But she lost the contest because
It had to be a candy tree.**

**Elena was really sad
Because she lost the contest.
She felt disappointed.**

Gianna and Cece were bragging.

Elena felt sad.

Then Elena was transformed into a
Princess Fairy because she was
The only fairy being nice.
Then Elena's friends said
"Sorry" for bragging.
And they became friends with Elena.
