

My Super Summer Checklist

What are you doing this summer? Are there places you want to go, or things you want to do? Summer is a great time to try new things or do some of your favorite things all over again. Make a list of all you want to do this summer and then check them off as you do them. We'll get you started, and you can come up with some more. This will be a super summer!

This summer I will:

- Go on a hike
- Try a new fruit or vegetable
- Look at the moon
- Make a collage
- Read a new book
- Write a story
- Play in a park
- Build a fort
- Learn a song by heart
- Create a new sandwich

- _____
- _____
- _____
- _____
- _____
- _____

Did you really love anything you've done? If so, celebrate and share by drawing a picture of your new favorite summer activity, discovery or creation on the other side of this sheet.

I loved it!

Did you really love something you found, did or made? If so, you can share your new favorite by having a grown-up post a picture of your favorite to Instagram using #MyFavoriteSummer or drawing a picture of your new favorite below and then having a grown-up post or email a picture of it to MyFavoriteSummer@pbs.org. We'll be sharing kids' favorites all summer long, so visit pbsparents.org/summer to see what other kids liked best – maybe you'll get some great ideas!

My Favorite Summer _____ is:

(adventure, discovery, creation)

Three horizontal lines for writing the answer to the question above.

Draw a picture of your new favorite adventure, discovery, or creation here:

A large empty rectangular box for drawing a picture.

First Name: _____ Age: _____

Local PBS Station: _____
